Subject: Patrick Bayou - EPA Lab work
Date: 08/28/2009 12:25 PM

Phil and Phil,

Are you aware of work being conducted by the EPA lab and Rob Burgess (sp) on toxicity and Patrick Bayou? If so, can we discuss. Obviously if there is work being conducted by the lead agency, we would not want to either duplicate or try to re-invent the wheel. I called and left him a message 401-782-3106/burgess.robert@epa.gov
